

PRODUCT SPECIFICATION

# THE BEHAVIORAL SAFETY BAG

BEHAVIORAL HEALTH  
SAFETY SOLUTIONS

Purpose-built paper waste liner for behavioral health and other sensitive environments.

**30** GALLON

17.75" x 10" x 36"

2-ply wet-strength coated paper  
Barrier-coated paper lining  
Pinch-bottom, heat-sealed

## BUILT FOR SAFETY. MADE FOR CARE.

Engineered for day-to-day durability, moisture containment, and secure handling in patient-accessible and other sensitive areas.

PAPER-BASED ALTERNATIVE  
TO PLASTIC LINERS

## ENGINEERED FOR SAFETY & DURABILITY

- 1 HEAVY-DUTY MATERIAL**  
2-ply wet-strength coated paper for routine facility use.

- 2 MOISTURE PROTECTION**  
Barrier-coated lining helps reduce soak-through.

- 3 SECURE CONSTRUCTION**  
Heat-sealed pinch-bottom supports bag integrity.

- 4 PAPER-BASED FORMAT**  
An alternative to conventional plastic waste liners.

- 5 30-GALLON CAPACITY**  
Sized for behavioral-health waste-management needs.

- 6 FACILITY-READY PACK**  
Conveniently packed with 80 bags per box.
